Welcome

In the heart of an exceptional environment, our Spa Les Bains de Corot welcomes all nature lovers in search of a moment of absolute well-being.

On the banks of the Ville d'Avray ponds, at the edge of the forest, let yourself be transported by the magic of this real haven of peace, just fifteen minutes from Paris.

With its eight cabins, each with a view over the ponds, sauna, outdoor Jacuzzi and three private whirlpool baths, discover the joys of relaxation in a bucolic setting.

In order to offer you the very best of nature's benefits, our team of practitioners has carefully thought out this treatment menu, inviting you to a truly enchanted interlude.

KOS PARIS is the fruit of a commitment to cosmetics that are both natural and effective, refined and eco-responsible.
